

Gifts with a story

For the ninth year we have been preparing a range of Christmas gifts for you. Original Fair Trade gifts will make your loved ones, employees, corporate partners and also children in Kenya happy.

We offer gift packages in different values and designs. From smaller options in cellophane bags to larger gift packages in cardboard boxes. The standard package, which is padded with wood wool, includes fair trade coffee beans, tea and a soapstone product.

What is fair trade coffee and tea? Fairtrade coffee is very high quality 100% Arabica. Kenyan coffee is generally considered to be one of the highest quality coffees, this one has one of the highest possible grades in the Coffee Board of Kenya certification. Fair trade tea from Kenya is a high quality black tea. Due to the ideal climatic conditions in which it grows, it is generally regarded as one of the finest in the world.

Where are the earnings going?

100% of earnings directly support the development of the Island of Hope Community Centre on Rusinga Island in Kenya. The centre includes a kindergarten, primary and secondary boarding schools, an orphanage, an education centre with a library and computer lab, a fish farm and a clinic. The project serves more than 500 needy children daily and the clinic cares for 20,000 patients a year.

Who makes the soapstone goods?

The products are handmade by Kisi stonemasons from the Tabaka village area, which is the only place in Kenya where the stone called soapstone is mined. They are bought directly from their producers and imported to our e-shop, i.e. without middlemen.

Direct import from Kenya without middlemen

We give 100% of the earnings back to support education and healthcare on the Island of Hope
